

THE SOLUTION

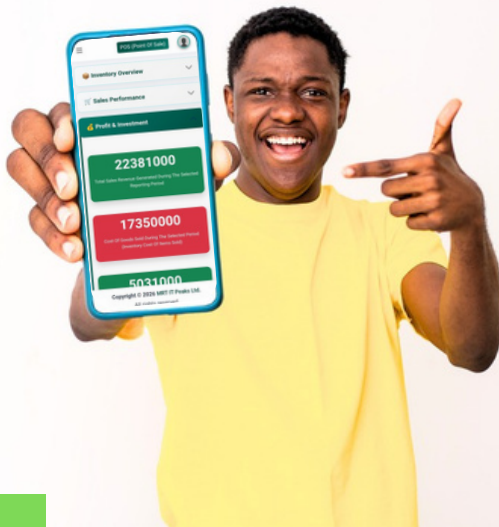

Meet Tradex

Tradex is a complete business management system designed for traders.

It helps you:

- Track stock from the moment you receive it .
- Record every sale using POS
- Manage customer and supplier debts easily.
- Monitor expenses and profits automatically.
- Send SMS reminders to customers

All in one simple system.

THE PROBLEM

Are You Facing These Challenges?

- You don't know who owes you money.
- Your Stock disappears without clear records.
- You're not sure if you're making profit or loss.
- You rely on books that get lost or altered.
- Customers don't come back because there's no follow-up.

You're not alone — most traders face this daily.
